Dear Steina & Woody,

Thank you for agreeing to exhibit at the Wood Street Galleries, especially on such short notice. We look forward to working with you and having a wonderful show. The exhibition dates are April 4th- May 24th. The following is my understanding of our agreement:

- Steina will exhibit *Borealis*. This work will be expanded to consist of six panels instead of the usual four. The cost of the extra two panels will be the responsibility of the artist.
- Woody will exhibit *The Brotherhood, Table 111*.
- Both works will arrive in Pittsburgh ready to be installed by Bruce Hamilton. Installation labor support will be provided by The Wood Street Galleries.
- Bruce Hamiltons airfare, accommodation and per diem will be provided by The Wood Street Galleries.

The Wood Street Galleries will provide an exhibition fee of \$12,000.00. The first payment of \$6000.00 will be furnished by February 15th, the remaining \$6000.00 at the completion of the show.

If you have any disagreement with my understanding, please do not hesitate to call as its better to clarify now rather than later.

Dear Murray,

We have decided we want to use 6 Sharp single gun projectors (no mirrors) in your show. This will vastly simplify all opto-mechanical alignment, weight and maintenance. We were lucky to contact a technician Steve in Pittsburgh through Mr.Chujko. He is familiar with these projectors. After our conversation, we are confident about the choice of the equipment and possibility to maintain it through the show.

The Sharp projector model # are:
3 x XG - 2000U
3 x XV - P10U

We want you also contact Steve and establish communication. We are planning to get some spares from him and are looking at our projectors now for a possible preventive maintenance. If we find a problem, we would like to send it to him ahead of time.

I'll be traveling to Santa Fe on January 31st to see the show at the Sante Fe Museum and to discus installation details. Is this O.K. with your schedule? I'll take a couple of vacation days while I'm there and return to Pittsburgh on February 4th.

A copy of this letter will be sent by mail.

Sincerely

Murray Horne
