Dear Steina,

Unfortunately, I am unable to schedule you for the Real Art Ways fall film/video series. We have been unsuccessful in our attempts to reach you since our phone conversation on September 3.

We are still very interested in having you here at RAW. Please let me know about dates that you plan to come east so that we may schedule you for our spring film/video program. Also, I have contacted the Hartford Art School. The film/video instructor has expressed interest in a work shop for students but he requires additional information about your work. Could you send us some biographical information, descriptions, reviews, and photos?

Thank you so much for your attention. Again, I am sorry that we couldn't schedule anything for this fall, but I am confident that we can work something out for spring. I shall look forward to hearing from you.

Sincerely,

Hilary Gwynn
Film/Video Coordinator

PS. IF YOU ARE INTERESTED

WE WILL COORDINATE
YOUR APPEARANCE AT
