

Museum of Art, Carnegie Institute

5/2/57

Stena

Enclosed is the project report of a 10 yr. old's museum visit, complete with a rendering of Allusion.

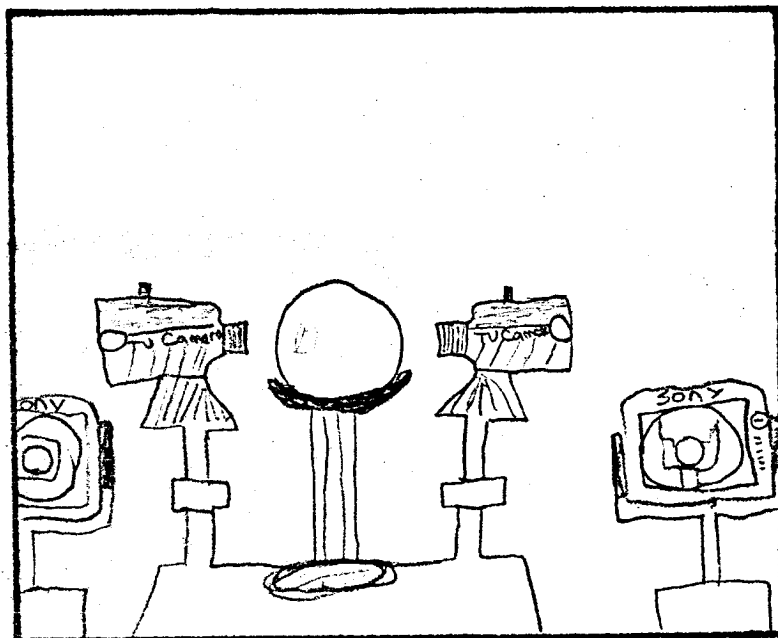

Bay thought you might be interested.

I hope all is going well, and that Allusion arrived safe + sound.

Regards

Bill

Now you have been to the museum. What do you remember best? Draw a picture.

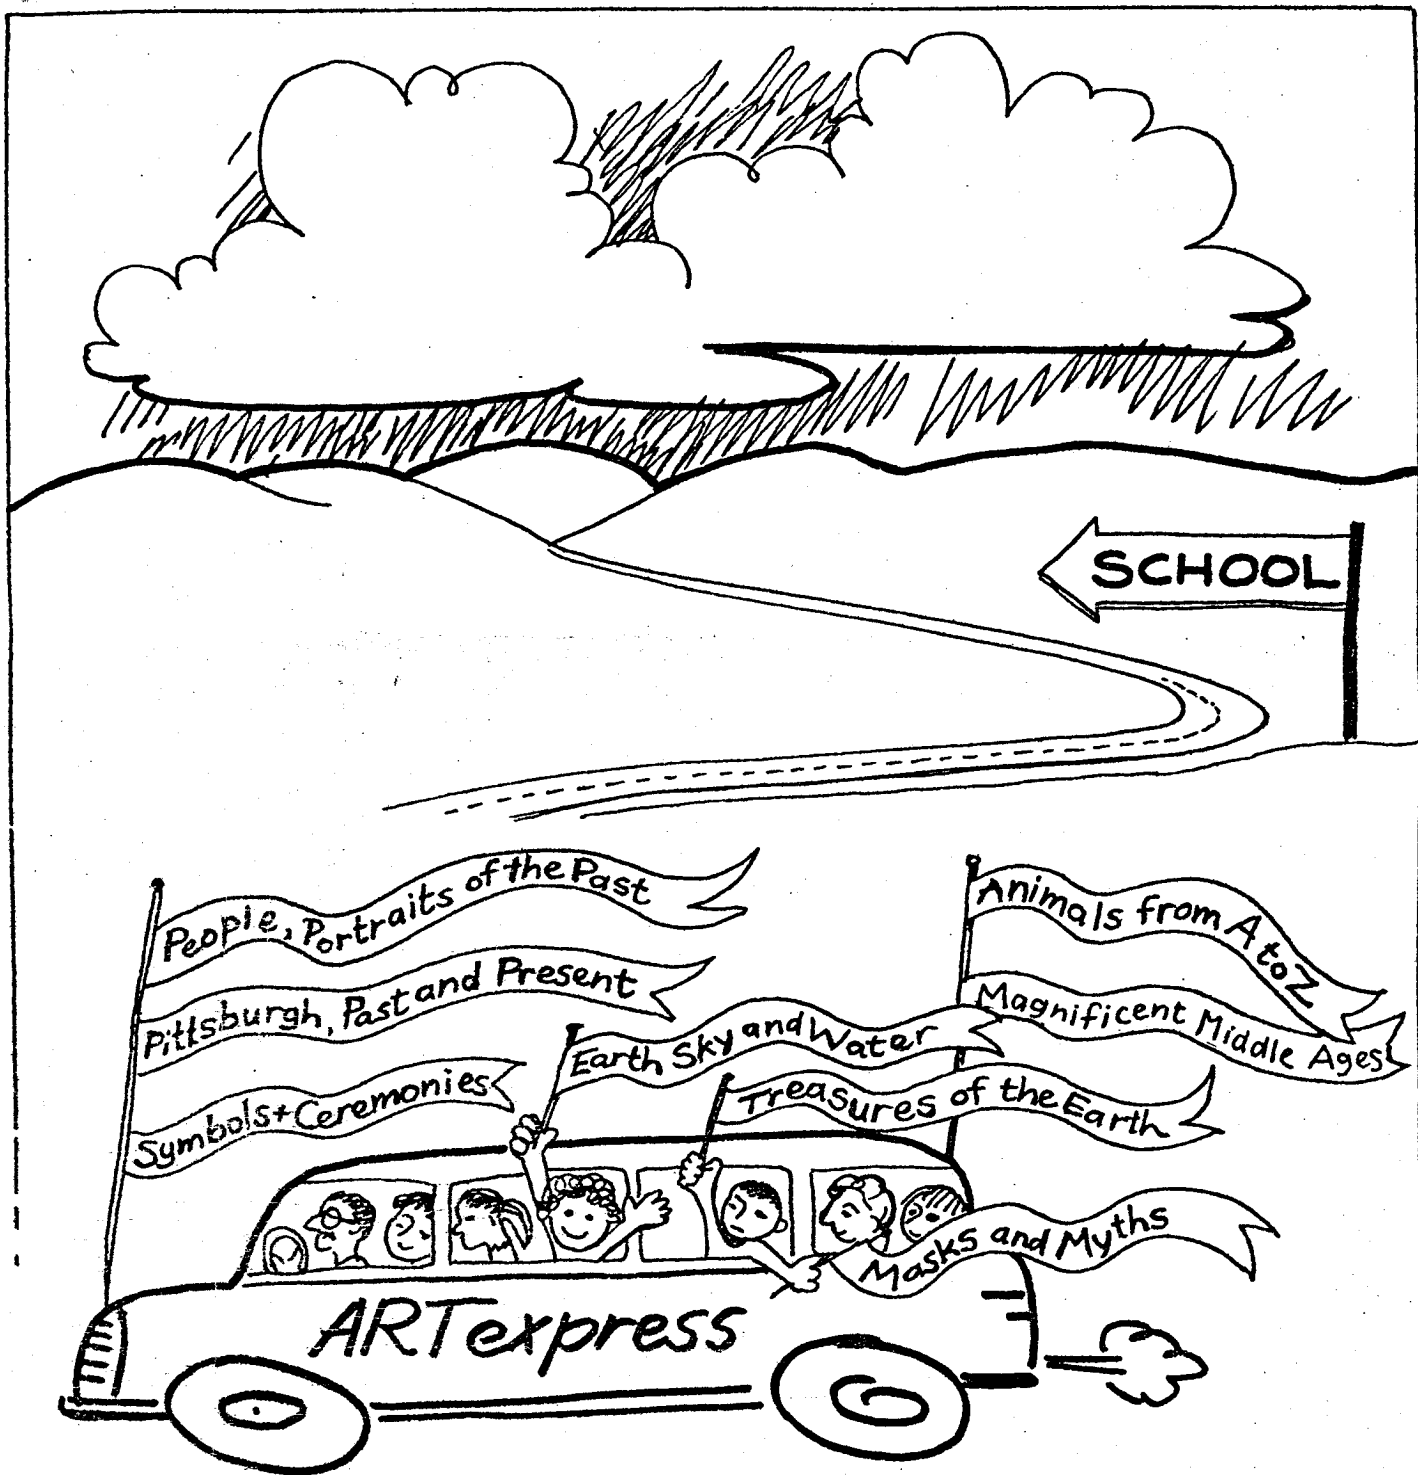

What did you like about your ARTexpress workshops?

Making murals and diaramas.

What didn't you like?

I liked everything.
